

**HOW TO SEND A PREPURCHASE INJECTION PUMP CORE**

**PLEASE READ** this information **NOW** before shipping your core.

**We really want you to understand everything up front!**

**PLEASE** pack the return core well. Make sure the pump fits tightly in the box. We recommend double boxing for best protection. **YOU** are responsible for getting the core to us in one piece with no damage!

**Blue Chip's Core Value Policy is straightforward and simple.....**

We do not deduct for, or issue partial credit of the core charge, unless the core has been in a fire, has been disassembled, or any part of the case is broken. The charge for each of these deductions is \$200.00. You hereby agree to pay these charges, if they apply, when core is inspected by Blue Chip. If you think any of these charges may pertain to your core, please call 888-472-7373 before sending us the core, and we'll work out the details.
